

NEXUS

THE TELCO SECTOR FINANCING PROGRAMME FROM CSG

CSG presents the most comprehensive customer financing programme for manufacturers and suppliers in the Telco sector, covering full solutions or simply calls and lines.

Only CSG has this product range with the unique ability to fund THE WHOLE SOLUTION linked to a high level of experience in your market.

NEXUS

- **Lease Line and Fixed Call Cost Financing.** A unique CSG initiative to meet the huge demand to accelerate income from long term lines and calls contracts.
- **Managed Service Financing.** Simple off balance sheet funding for customers (ideal in Public sector under harder spending rules) encompassing equipment, software, install, maintenance, support, lines and calls all in one product providing cash and revenue acceleration for supplier.
- **Operating and Finance Lease** solutions for pure equipment solutions.
- **Interest Free and Subsidised Rate Financing** schemes to promote specific products independent of manufacturers.
- **National Coverage** of experienced and capable Account Managers who are truly sales targeted and able to partner sell to your clients in association with your sales team.
- **Pretty much unlimited funding capacity.**

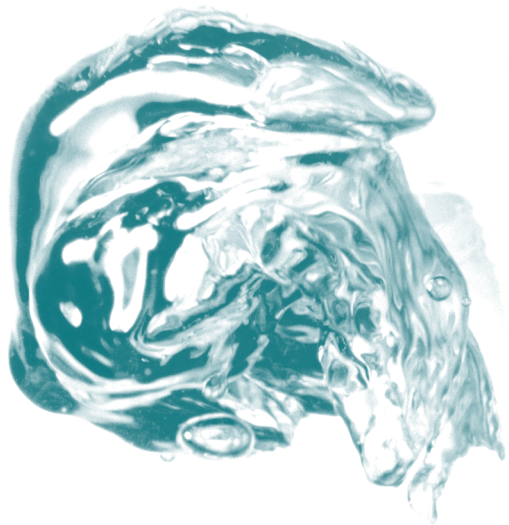

Nexus describes the amalgamation of these products into a service delivery that provides you with a carefully designed suite of products not available from any other single source. Nexus has been designed over the past three years through careful study of your market and is not an off the shelf offering made to fit as offered by our competitors.

Working with CSG is straight forward due to our genuine desire to grow our business by helping you grow yours; we have no ultimate Bank parent to tell us what to do so we can react quickly and positively to your needs.

Contact CSG now for an initial no commitment / no-nonsense consultation.
